

Insect Repellent

Description

Harvest's Insect Repellent is a concentrated pure eucalyptus oil suitable for repelling a wide range of insects from small enclosures containing electronic and electrical equipment. Repellent is intended to be used in the 30mL blue bottles which are equipped with a slotted wick to allow excess oil to drain back into the bottle, preventing overflow.

Specifications

Available Volumes	30mL, 1KG
Ingredients	100% Pure Eucalyptus Oil

Notes
